

## ARTICLE VI—VACANCIES

- Section 1: The Executive Board shall determine when a vacancy exists in an elective or appointive position.
- Section 2: Vacancies in elective or appointive positions shall be filled by the Executive Board. Should a vacancy develop in the position(s) of Representatives, the members from the school or center concerned shall fill the vacancy as soon as possible. The position will be considered vacant until notification of a replacement has been delivered to the CCEA office. A replacement may be any member in good standing assigned to that school or center.
